

The overall purpose of the Beeton & District Agricultural Society is to serve and showcase the interests and needs of the community by being dedicated to educating and promoting agriculture and its related industries, and activities.

Our main showcase is our annual The Beeton Fall Fair, which has been held annually for over 160 years. Country fairs are an honoured tradition in rural Canada and continue to be celebrated community events. Our Fair provides a place where people can visit and rediscover their heritage and community of yesterday and today.

The goal of the Beeton & District Agricultural Society is to present agricultural in a manner that is both educational and entertaining for all ages of fair goers.

Exhibitors come from within our town and around Ontario to showcase their livestock, garden bounty, baked goods, crafts and more. The country fair continues to improve the quality of life in our community and Ontario by showcasing our agricultural roots and skills

Sponsors are major contributors to the success and future of our volunteer-run fair promoting and running the annual fair. With the cost of organizing, promoting and running the annual fair forever increasing, our reliance upon generous donations also grows. Your support and assistance is always greatly appreciated and in return for your financial support.
